

Digital Promise Journey

The Digital Promise Journey is a change management blueprint that guides participants through activities necessary for a successful digital transformation. Developed over years of hands-on experience with dozens of K-12 districts, the Journey addresses eight essential stages in three phases. (Ready, Set, Go)

The Digital Promise Journey Map

How We Engage

All engagements use the Journey as a blueprint, and we will help you develop a custom plan to meet the needs of your district.

Solution

On-site strategic planning

Description

Work with a team of administrators and/or lead teachers to help them **gain a deeper understanding of the Journey blueprint**, create a long-range professional learning plan that complements your district goals, and review implementation strategies.

On-site workshops

Participants will be guided through the Journey blueprint to **solve relevant challenges and apply concepts and strategies to their own classroom instruction**.

Institutes

Two to three day hands-on, immersive experience for teachers.

On-site implementation support Work with teachers to **plan and implement the Journey** through:

- Classroom coaching
- One-on-one sessions
- Group meetings
- Model lessons

Ongoing virtual support Provide immediate, on-going, focused, customized support to fit teachers' needs via video conferencing, email, phone, etc.

About Digital Promise Professional Services

Digital Promise Professional Services leverages the resources and networks of Digital Promise to provide custom support, content and experience that advances learning. Our team of educators combine lessons learned through years of experience to help personalize professional learning, and engage students in powerful ways. Become a part of the Digital Promise mission to accelerate innovation in education.
