

Student Publishing Projects Guide Template

1. Determine a topic you'd like to center a discussion about racial equity around.

2. Consider if the discussion be solution-oriented or inquiry-based?
Will students publish their work? Where?

3. Write down 3 objectives you want your students to achieve by the end of a discussion around that topic.

Objective A _____

Objective B _____

Objective C _____

4. Write out a rationale that you would share with your students as to why having this discussion is important.
