CONTENT IDEAS FOR YOUR NEWSLETTER

Explore sharing different topics each month to keep the content engaging and relevant!

TECH TIPS FOR FAMILIES

Share simple tips for parents and guardians to help their students navigate technology at home (e.g., setting up a productive workspace, managing screen time, or using parental controls).

STUDENT SHOWCASE: TECH IN ACTION

Share stories or examples of how students are using technology in school projects. This can include videos, presentations, or digital artwork created using specific tools.

TOOLS YOUR STUDENT IS USING

Highlight the platforms or apps students are using in class (e.g., Google Classroom, Microsoft Teams, or Khan Academy) and how families can support their child's use of these tools at home.

HOW TO MONITOR STUDENT PROGRESS

Explain how families can check grades, assignments, and attendance via the school's Learning Management System (LMS), such as PowerSchool or Google Classroom.

PARENT-STUDENT TECH COLLABORATION

Encourage activities that allow guardians and students to use tech together, such as creating a family digital project, exploring online educational games, or researching a topic of interest.

ONLINE LEARNING RESOURCES

Share websites, apps, or tools that families can use to support their child's learning outside of school (e.g., educational YouTube channels, online tutoring platforms, or homework help websites).

DIGITAL CITIZENSHIP TIPS

Provide information on teaching responsible digital behavior. Topics could include online safety, privacy protection, cyberbullying prevention, and social media awareness.

UPCOMING FAMILY EVENTS & WORKSHOPS

Promote webinars or workshops that teach parents how to use educational tech platforms, monitor student progress, or navigate virtual learning environments.

MENTAL HEALTH & TECHNOLOGY

Discuss the impact of technology on student mental health, focusing on screen time, social media use, and the importance of maintaining a healthy balance between online and offline life.

SUPPORTING TECH LEARNING AT HOME

Answer frequently asked questions from families, such as "What if we don't have reliable internet?" or "How can I help my child stay organized with assignments?".
