

# Maximizing Your League Membership

# League Member Learning Map Outline

This Learning Map is your gateway to the full suite of professional growth opportunities for League district and school leaders. It is designed to help you identify experiences aligned with your goals, chart your development pathway, and connect deeply with peers facing similar challenges and opportunities.

## Convenings

**Convenings are the cornerstone of the League experience.** These immersive multi-day experiences combine site visits, member-led presentations, host district deep dives, facilitated debriefs, and networking receptions. They allow members to observe innovation in action, reflect strategically on district priorities, exchange insights with peers, and translate learning into actionable practices that drive change at home.

# Ongoing Growth Support

Beyond convenings, the Learning Map highlights a variety of engagements that support ongoing growth:

- **quarterly calls** provide timely peer-to-peer reflection and dialogue;
- **Learning Collaboratives** enable members to dive deeply into shared challenges through cycles of inquiry and feedback;
- **topical webinars** keep members abreast of emerging trends;
- **implementation cohorts** support long-term, systems-level innovation;
- and **direct participation in Digital Promise research projects** and pilots allows members to test, refine, and contribute to evidence-based practices.

Consider this map your compass for navigating and maximizing every opportunity to learn, lead, and improve outcomes across your district. Each engagement is designed to strengthen connections, foster experimentation, and empower members to both contribute to and benefit from the collective knowledge of the League network.

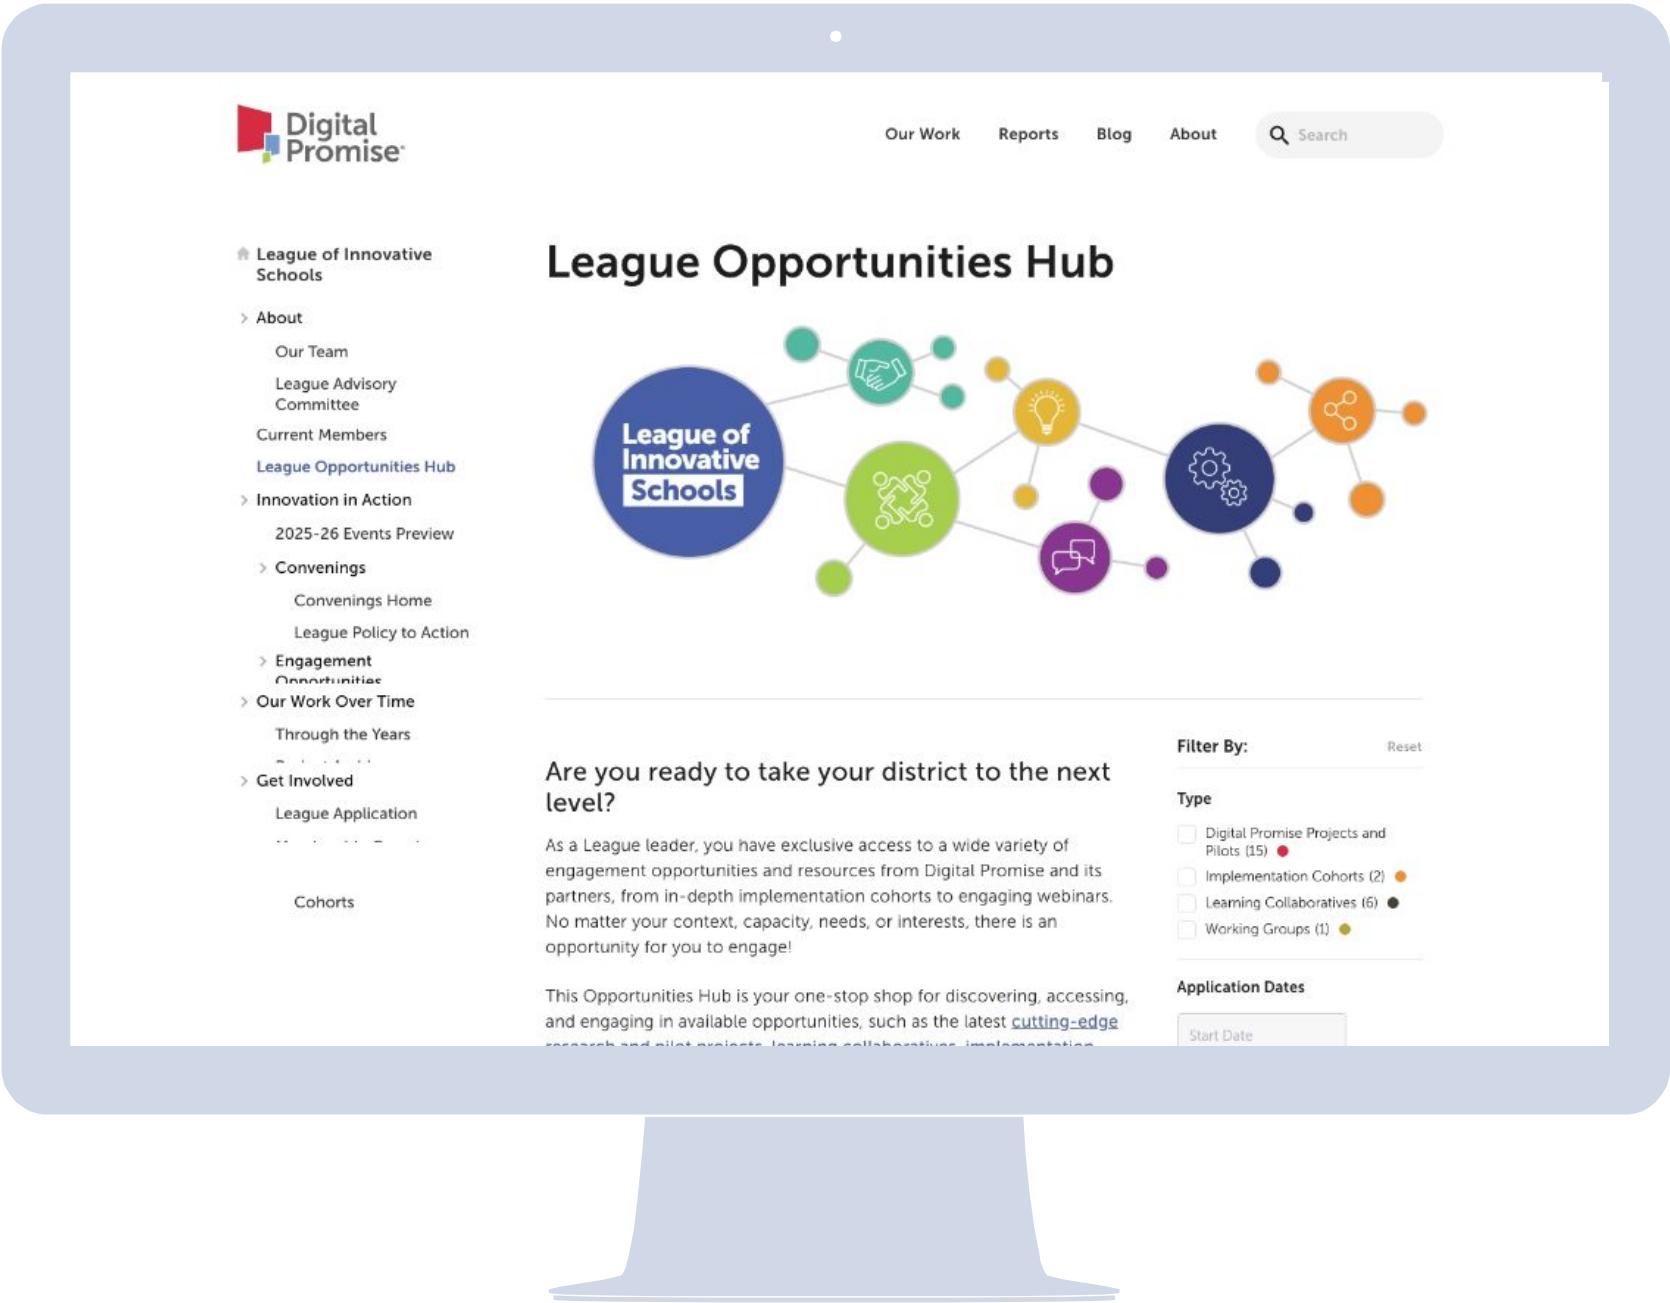

Engagement Type	Frequency	Purpose	Key Benefits	Intended Audience	Member Roles & Expectations	Leadership Opportunities	AccessEntry
<b>Quarterly Member Calls</b>	<b>September 30, 2025</b> 11:30 AM-12:45 PM EST/ 8:30-9:45 AM PST  <b>December 16, 2025</b> 2:00 PM -3:15 pm EST/ 11:00 AM-12:15 PM PST  <b>February 24, 2026</b> 11:30 AM-12:45 PM EST/ 8:30-9:45 AM PST  <b>May 19, 2025</b> 2:00 PM -3:15 pm EST/ 11:00 AM-12:15 PM PST	Provide superintendents a focused space for connection, reflection, and learning,while highlighting district accomplishments and network priorities	Trusted peer-to-peer learning on timely issues; strengthens network connections; offers actionable takeaways for district leadership and strategy.	Superintendents	Confirm and maintain calendar invitations, review pre-call materials, actively participate in discussions, provide brief feedback post-call.	Contribute promising district practices; lead discussion openers or closing reflections.	Email   Calendar invitations
<b>League Learning Collaboratives</b>	Monthly (September-March)	Bring members together in peer-driven groups to explore a shared topic, apply strategies to real district challenges, and support one another through cycles of learning, reflection, and action.	Structured, topic-focused sessions to examine district-specific challenges; access to peer strategies and national promising practices; fosters experimentation, reflection, and deeper network connections.	Superintendents, District Leaders, School Leaders, and Instructional Coaches	Attend all six 90-minute sessions, actively engage, commit to trust and confidentiality, offer feedback and support, apply learning in district work.	Share successful district practices, co-facilitate discussions, curate resources, and contribute insights for network-wide knowledge sharing.	Opportunities Hub  Interest Form
<b>Fall Convening Programming: Policy to Action Summit</b>	December 1-2, 2025 Washington D.C.	Provide an intimate, superintendent-only experience to explore promising practices, observe innovation in action, and reflect on strategies for advancing district priorities.	Smaller cohort for deeper peer dialogue; networking receptions; site visits; member presentations; host deep dives and facilitated debriefs for actionable insights.	Superintendents	Full participation across all aspects of the convening—including school visits, structured sessions and discussions, and convening surveys. Contributions may include presenting in sessions, engaging in strategic dialogue, sharing reflections, and fostering new professional connections within the network.	*Members are invited to present during breakout sessions, co-facilitate discussions, contribute post-convening reflections for League communications, or contribute to fostering meaningful engagement with newly joined members.	Eventbrite Registration/Swapcard
<b>Spring Convening Programming</b>	March 16-18, 2026 Seattle, Washington	Offer a collaborative forum for superintendents (may bring up to 2 district leaders) to reflect on progress, share successes, explore innovative practices, and co-develop solutions for district challenges.	Cross-district collaboration; networking receptions; site visits; member presentations; host deep dives and facilitated debriefs for actionable takeaways.	Superintendent and 2 district leaders	Full participation across all aspects of the convening—including school visits, structured sessions and discussions, and convening surveys. Contributions may include presenting in sessions, engaging in strategic dialogue, sharing reflections, and fostering new professional connections within the network.	*Members are invited to present during breakout sessions, co-facilitate discussions, contribute post-convening reflections for League communications, or contribute to fostering meaningful engagement with newly joined members	Eventbrite Registration/Swapcard
<b>Implementation Cohorts</b>	Monthly 12-18 months	Engage in focused cohorts to co-design, test, and refine solutions to common challenges, supporting long-term implementation aligned with district goals.	Members engage in deep learning through collaborative design, field-based inquiry, and optional study tours that surface promising practices and drive systems-level change.	District and school leaders from the League of Innovative Schools and the Global Cities Education Network	Cohort members engage in ongoing collaboration, contribute to discussions, and consider how to adapt ideas within their districts. They also support shared learning by offering reflections, tools, or examples from their work. International study tour participation is optional.	TBD	Opportunities Hub  Application
<b>Digital Promise Research Projects &amp; Pilots</b>	Ongoing	Engage directly in research studies and pilot initiatives led by Digital Promise to advance evidence-based practices and innovation in districts.	Contribute to cutting-edge research; test and refine innovative practices in your district; collaborate with peers and experts; inform national insights and learning.	District Teams	Actively participate in research protocols, pilot testing, data collection, and reflection; share outcomes and lessons learned with the League network.	Lead local implementation, contribute findings to peer discussions, co-present outcomes at convenings or webinars.	Opportunities Hub  Application
<b>Topical Webinars</b>	Ongoing	To offer timely, topic-specific presentations from expert partners that address emerging member needs, as identified through ongoing input and survey data. These sessions are designed to deepen understanding, spark new ideas, and support district priorities.	Enables members to stay current with emerging trends, research, and tools through direct access to leading experts and organizations in the field.	Superintendents and district leaders, invited as appropriate based on topic relevance.	Engage in topic-relevant sessions, offer context or questions to enrich discussion, and support the integration of key insights into ongoing League learning and district priorities.	Members may assist in identifying and recommending potential partners for future presentations.	Email   Calendar invitations

# Pilots and Programs

**Opportunities Hub:** The [League Opportunities Hub](#) is your one-stop shop for discovering, accessing, and engaging with the full range of League initiatives. Explore cutting-edge research and pilot projects, learning collaboratives, implementation cohorts, working groups, events, and more—all designed to help you drive innovation and impact in your district.

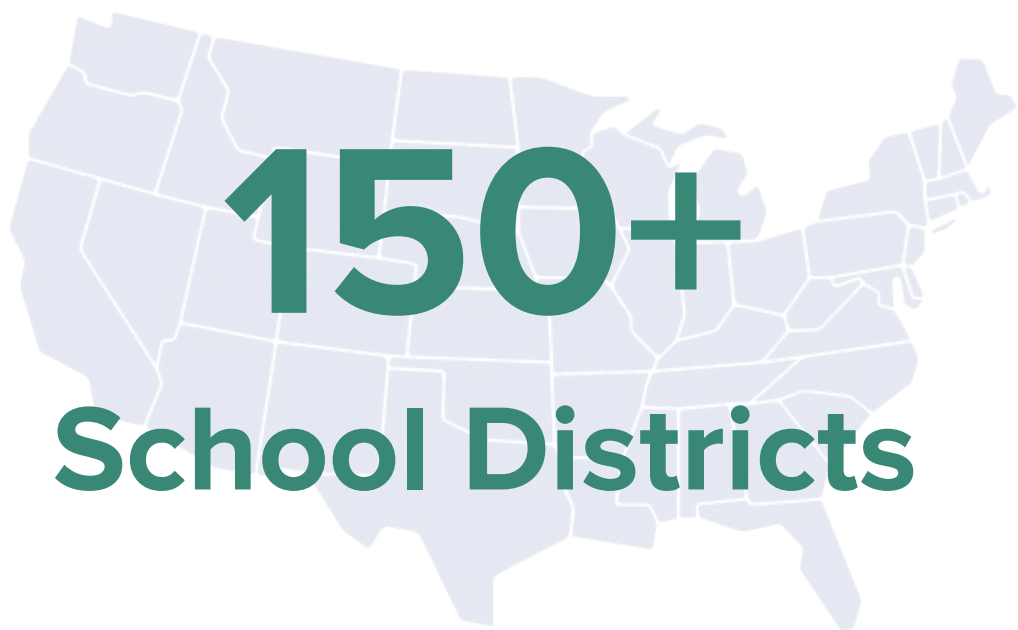

See the Opportunities Hub

# Staying Connected

## Current League Members

The League of Innovative Schools is a coalition of more than 150 forward-thinking school districts in 35 states. Membership in the League is based on a combination of superintendent and school district qualifications.

# Membership Administration

## Membership Expectations, Policy, and FAQ:

### **How are annual League membership dues determined, and who can I contact with questions?**

Annual dues are based on student enrollment and range from \$2,500 to \$4,000. For questions about dues, contact the League team at [league@digitalpromise.org](mailto:league@digitalpromise.org)

### **When will our district receive the invoice, and when is payment due?**

Invoices are issued in early October to the superintendent and the designated district billing contact. Payment is requested by the end of January to ensure uninterrupted membership benefits.

### **Community Guidelines & Code of Conduct:**

League members are expected to engage respectfully, collaboratively, and in alignment with our community standards to foster a safe and productive learning environment.

**For any questions about dues amounts, please contact the League team at [league@digitalpromise.org](mailto:league@digitalpromise.org)**
